Rotary

MISSION

Service Project Center empowers and enables members and participants to share, connect, learn, serve, and grow, in alignment with Rotary's action plan.

THE *NEW* SERVICE PROJECT CENTER

- Enhanced performance & speed

- Introduced mobile-friendliness

- Improved project location: view projects on a map & "Projects near me"

- Empowered more club officers to manage projects

- Filter where project contacts can see just the projects they manage

Launched 1 August 2024

Ending Polio Forever

Rotary has been working to eradicate polio for over 30 years, and our goal of ridding the earth of this disease is in sight. We started in 1979 with vaccinations for 6 million children in the Philippines. Today, Afghanistan, Nigeria, and Pakistan are the only countries where polio remains endemic.

Is your project already listed?

New projects are continually added to the Service Project Center. Because any Rotary member can add a project, make sure to avoid adding a duplicate project. Review **My Club Projects** to ensure that the project hasn't been added already.

I confirm:*

☐ I have reviewed **My Club Projects** and this project isn't listed. I am ready to add it as a new project.

Add a new project

Before adding a project:

If your project involves young people under the age of 18 or youth program participants (such as RYLA, Interact or youth exchange participants) be sure to review **Rotary's youth protection policies** before posting project details (including sensitive information such as the location, contact information, or personally identifying information) or uploading photos or videos of young people. Questions? Contact:
youthprotection@rotary.org

I want to add:
